

Stay and Play Dog Care

A Bed and Breakfast for Your Dog

Policies

We are not a drop-in center

Please call ahead of time to reserve space for your dog.

Holidays in particular may need to be booked a few months ahead of time.

Doggy day care can sometimes be very much like a children's day care center.

Sometimes small cuts and bruises may result from rough play even though your dog is always under supervision. We slow down energy that is too high or separate or redirect dogs that might have more of a bully attitude. We supervise so that that everyone is safe and has a good time, but sometimes they may play a little too hard!

Policies for pick up and drop off:

For pick-up and drop-off, please phone 459-1377 when you arrive, and Donna or her representative will meet you outside to receive your pet or return your pet to you. The reason for this policy is that it is much less disruptive to the animals that are not leaving or arriving at that time.

No drop-offs or pick-up on Sunday. No drop-offs or pick-ups on holidays.

Requirements and information for visits:

1. Bring current vaccination record, including kennel cough, rabies, DHLPP.
2. Include instructions for medication and feeding, and label food and medications with your dog's name

5. Dogs must be spayed or neutered.
6. If your dog excessively barks, we may find it necessary to put a bark collar on your pet.
